Professional Summary

I am Md. Ashik Khan – A passionate MERN Stack Developer specializing in React.js, Next js, Node.js, Express.js, TypeScript, and MongoDB. Dedicated to designing, developing, and optimizing scalable web applications. Proven ability to enhance UI/UX and troubleshoot complex issues to improve system efficiency. Always eager to learn and implement cutting-edge technologies.

Skills

Technical Skills:

- **Front-end:** Designed and implemented responsive UIs using React.js (redux), Next.js, Tailwind CSS
- **Back-end:** Developed and maintained robust APIs using Node.js, Express.js, and TypeScript
- **Database**: Managed and optimized MongoDB (using Mongoose ORM) and Firebase
- **Tools & Platforms:** Git, GitHub, Surge, Vercel, Postman, and Netlify

Projects

Career-boots [Live Demo](#) ‖ [Frontend code](#) ‖ [Backend code](#)

Tech Stack: Next.js,TypeScript, Node.js, Express.js, MongoDB

✓ Secure Authentication & Course Management
✓ Interactive User and Admin Dashboard
✓ AI-Powered Learning Assistant and Exam Systems

🍎 **Apple-Store-Ecommerce** [Live Demo](#) ‖ [Frontend code](#) ‖ [Backend code](#)
Tech Stack: React.js, Node.js, Express.js, MongoDB

✓ Have a beautiful Admin and User Dashboard.
✓ Developed an advanced filtering system allowing users to find Products, price, and availability.
✓ Easy Payment Intregation with stripe.

🏪 **Bistro Boss Restaurant** [Live Demo](#) ‖ [Frontend code](#) ‖ [Backend code](#)
Tech Stack: React.js, Node.js, Express.js, MongoDB

✓ Designed and developed an interactive restaurant website featuring online ordering, dine-in reservations, and a dynamic menu.
✓ Integrated high-quality images, descriptions, and prices to enhance user engagement.
✓ Optimized performance to ensure fast loading and smooth user experience.

Education

Diploma of Computer Science and Technology

Pabna Polytechnic Institute, Panba | 2021 - Present

Relevant Courses: Mern Stack Development, Reactive Accelerator and Mern Backend

Certifications

- web development (programming hero)
- Reactive Accelerator   (learn with sumit)
- Mern Backend   (bd calling academy)

Additional Information

Language : Bangla and English

Soft skills : Team Collaboration, Problem Solving, Time Management , Adaptability

Hobbies & Interests

1. Exploring new technologies.
2. Solving coding challenges.
3. Contributing to open-source projects.
